Subject:	Re: letter from Mr. CAI (SAIL), thank you!

Dear Dr. Jiang,

Thank you for your kind mail

1. It will be a pleasure to discuss the MOU with you next week. I believe that we can reach an understanding about the remaining open issues in a harmonious way that will serve the interests of both sides. Consequently I am hopeful that we will be in a position to sign the MOU next week.

2. Thank you for your generous offer to pick us up from the airport in Shanghai. Do you have a cell phone number I could have just in case we encounter any flight delays or other difficulties?

3. Please find attached a presentation of a few more companies I would like to tell you about. This presentation is a work in progress and a couple other slides may be added to it in the next couple of days. I will send you an updated version if changes will be made.

4. It will be an honor and pleasure to have dinner with you after our daily meetings. Thank you for your kindness.

I am looking forward to seeing you next week and I am hoping that this will lead to a long term fruitful relationship.

Best Regards,

Benad
